**RE: Meet The Commodores Night**

Dear Boating Council Representatives:

On behalf of The Greater Huntington Council of Yacht and Boating Clubs, I would like to extend an invitation to you and your fellow club members to join us at **our annual GHC Meet The Commodores Night**. The event this year will be held at the **Huntington Yacht Club** located at **95 East Shore Road, Halesite** on **Wednesday, May 23, 2007 at 7:00PM**. The agenda for the evening will include introductions of our members and distinguished guests, a brief overview of the GHC initiatives and events for the 2007 boating season. Hors D'oeuvres and beverages will be served. It's a great opportunity for our local boating enthusiasts to meet and speak with other club members, the Boating Council and our distinguished government officials who do so much to support boating interest and to protect our most precious natural resource, our waterways.

Please share this information with your clubs and your membership. Remember, there is strength in numbers and we need to put on a good front. The invitations have gone out to the government officials today. Please keep me informed as to the number of people who will be coming from your club so we can keep the yacht club up to speed.

Thank you in advance for your cooperation and support of this our most important meeting of the year. My contact information is listed below. We are only four weeks away, so get the word out today.

Sincerely,

Jon L. Ten Haagen, CFP, Commodore
