

# Masthead Cove Yacht Club Spring Brunch

Saturday, March 15  
Noon-4PM  
Northport Yacht Club  
11 Bluff Point Road, Northport

## Featuring:

- Captain Eric Forsyth will be presenting “Fiona Returns to Antarctica”, a chronicle of his eleven month, 20,000 nautical mile voyage from Long Island, NY, to Antarctica and back via the Panama Canal aboard his Westsail 42. Captain Forsyth is a retired electrical engineer who has been deep water sailing for more than forty years, having made four roundings of Cape Horn and eighteen transatlantic crossings. He has made two circumnavigations and sailed to the Arctic and Antarctic. In 2000 he was awarded the Blue Water Medal by the Cruising Club of America, citing his cruise to Antarctica in 1999. In 2007 he was awarded the Seven Seas Prize in recognition of a lifetime of Ocean Cruising with a commitment to good seamanship and a concern for the environment.
- Calendar of MCYC events for the coming season. Our Fleet Captains have been busy making plans and will be presenting the details
- We will be auctioning Britannia wet storage for the coming winter. Painful as it is to think of the season ending, it's never too early to plan.
